Property Description

Perched above the lush jungle canopy in one of Ojochal's most desirable communities, this exceptional luxury ocean view home in Costa Rica captures the essence of refined tropical living. Positioned as a prime Costa Rica luxury investment, the property offers sweeping Pacific Ocean views that stretch across an unbroken horizon of jungle treetops, with no rooftops or neighboring structures, just nature, sky, and the ever changing colors of the sea. From the moment you enter, the home radiates a sense of warmth and welcome. Clean contemporary lines blend beautifully with rich natural materials, creating a space that feels both luxurious and comfortably livable. Thoughtful architectural details including beautiful wood ceilings and modern carved wood accents on doors and cabinetry add depth, texture, and character throughout the home. The open concept living, kitchen, and entertaining space flows effortlessly toward the expansive terrace and disappearing edge infinity pool, where indoor and outdoor living merge against a breathtaking ocean backdrop, a defining characteristic of the Dominical real estate lifestyle.
