Property Description

Now is the time to own property in the dry forest mountains of Guanacaste, only 45 minutes from the Liberia International Airport (LIR) and 20 minutes to the sandy beaches on the Pacific coastline. This 3-story estate spans over 2.5 acres of peaceful forest where an abundance of deer, monkeys and tropical birds all call home. The modern 3-bedroom home has two oversized primary bedrooms with ensuites on the top floor with breathtaking views of the surrounding mountains through the large wall of windows. The main level of the home serves as the hub of activity with the large kitchen, living room, the third bedroom with ensuite bathroom along with a half bath and a large laundry room. Indoor entertaining flows outdoors to the large pool, deck and outdoor kitchen. Enjoy the warm breezy evenings with family and friends watching the sunset over the mountains and then, without city lights to interfere, watch shooting stars against the backdrop of an unobstructed view of the bright moon and a galaxy of stars.
