Property Description

Nestled within a prestigious community offering hiking trails, tennis courts, a pool, and a rancho for entertaining, Casa Mariposa is a rare sanctuary where architecture and nature exist in perfect harmony. Set against a protected natural reserve, this home is surrounded by lush, mature gardens that create a true sense of privacy and tranquility an increasingly rare balance within today's Homes for sale in Costa Rica. From the moment you enter, you are immersed in a serene, forest like setting yet remain just minutes from shopping, top schools, the airport, and key lifestyle amenities. Designed for seamless indoor outdoor living, the home features high end accordion glass doors that fully open to reveal breathtaking views of the gardens, forest, and creek below. At the heart of the home, a Bali inspired infinity edge pool anchors the central courtyard, appearing to float above the landscape and creating a resort style ambiance throughout.
