Property Description

Set in the tranquil hills of Caimital, just 30 minutes from the beaches of Sámará and only minutes from Nicoya, Luna y Sol is a rare 185-acre estate designed for those seeking space, privacy, and a deeper connection with nature, without giving up accessibility. Surrounded by rolling green landscapes and complete serenity, the finca offers a sense of retreat that is increasingly difficult to find. Here, mornings begin with soft mountain breezes and expansive views stretching toward Santa Elena, while evenings settle into absolute quiet, under open skies and uninterrupted nature. A network of internal roads allows you to explore the property with ease, revealing multiple natural viewpoints and potential building sites, ideal for creating a private retreat, boutique eco-lodge, or a multi-home sanctuary immersed in greenery. At its heart, a 3,200 sq ft Mediterranean-style residence blends comfort and openness, with four bedrooms, three bathrooms, high ceilings, and large windows that frame the surrounding landscape.
