Property Description

This thoughtfully positioned ocean-view homesite within the exclusive Senderos community offers a balanced and refined perspective of Costa Rica's natural beauty. From its elevated setting, enjoy gentle ocean views toward Playa Avellanas and Playa Langosta, complemented by expansive vistas over the surrounding green valley. The result is a calm, inviting panorama with a strong sense of openness and tranquility. Conveniently located with easy access throughout the community, the homesite benefits from natural light, cooling breezes, and a subtle elevation that enhances both comfort and livability. An ideal opportunity to build a custom luxury residence that blends ocean orientation with privacy and long-term value in one of Tamarindo's most desirable gated communities.
