Property Description

Discover a rare opportunity to own a 25-acre (10.2-hectare) rainforest property in San Jerónimo de Moravia, directly bordering Braulio Carrillo National Park, one of Costa Rica's most important protected areas. Located just outside San José, this land offers an exceptional combination of accessibility, biodiversity, conservation value, and long-term investment potential. The property features a beautiful mix of primary and secondary forest, functioning as a natural buffer to the National Park and supporting abundant wildlife and native ecosystems. From multiple areas of the land, you'll enjoy panoramic views of Irazú Volcano and the Central Mountain Range, creating a dramatic and inspiring setting for a future project. This unique property is ideal for a range of visionary uses, including a private nature retreat, eco-lodge, biological station, research property for universities, or a conservation-focused investment.
