Property Description

Exclusive opportunity to live in a condominium! ?Price: C=33,000,000 ?No maintenance fee Located on the second floor of a five-unit condominium, this apartment offers a layout that prioritizes privacy and, best of all, provides the security you seek for peaceful living. This apartment boasts 50.75 square meters of living space, plus parking for one vehicle, and its layout maximizes the use of space. Its location and orientation within the complex allow for ample natural light and ventilation. The entrance terrace provides a welcoming space that enhances privacy and offers a tranquil setting for enjoying a coffee or reading a book. The laundry room is spacious, and there is also a shared drying area at the rear. The kitchen, living room, and dining room are integrated, and both bedrooms are generously sized, with the master bedroom featuring a large walk-in closet. ? Heliconias Urbanization stands out as a quiet neighborhood in the area.
