Property Description

Spacious homesite with excellent development potential in Costa Rica's Southern Pacific region. Lot 10 in Phase 5 of Ojochal presents a strong opportunity for buyers seeking buildable land in one of the most desirable areas of Costa Rica's Southern Pacific coast. With 0.23 acres (940 m²) of land, this property offers an ideal setting for a private residence, vacation home, or long-term real estate investment. One of the most valuable features of Lot 10 is its completely flat topography, allowing for efficient planning and construction. This type of terrain makes it easier to design a home that maximizes the usable space while incorporating outdoor living areas such as terraces, gardens, or a pool. The property enjoys beautiful views of the surrounding mountains, creating a peaceful natural setting with refreshing breezes throughout the day. The landscape provides a tranquil environment while still offering convenient access to nearby amenities and coastal attractions.
