Property Description

A comfortable and accessible homesite with ocean views and excellent value in Costa Rica's Southern Pacific region. Lot 8 in Phase 5 of Ojochal offers an excellent opportunity to build a home in one of the most desirable communities of Costa Rica's Southern Pacific coast. With 0.22 acres (901 m²) of land, this property provides a comfortable and highly usable homesite with beautiful natural surroundings. The lot features a completely flat topography, making it easy to design and construct a residence that fully utilizes the available space. Its accessible terrain allows for a practical layout that could include outdoor living areas, gardens, or a pool while still enjoying views toward the Pacific Ocean and surrounding mountains. Located within the same development as other premium ocean-view properties, Lot 8 offers a peaceful environment with refreshing breezes and the relaxed atmosphere that characterizes life in this part of Costa Rica.
