Property Description

This impressive three-story luxury home offers 634 m² (6,824 ft²) of living space on a 1,248.82 m² lot, combining modern construction with functional design and high-quality finishes. The property includes a 54 m² garage, a 150 m² main terrace with a swimming pool, and a 66 m² attic, creating generous indoor and outdoor living spaces ideal for entertaining or extended-family living. The residence is designed with two distinct three-story wings connected by a central common area, providing both privacy and flexibility. Each wing features open-concept living, dining, and kitchen spaces, as well as spacious bedrooms with en-suite bathrooms, walk-in closets, and private balconies. A private elevator is located in one wing of the home, providing convenient access between levels, while staircases connect both sections of the property. A two-story central entrance pavilion links the two wings and leads to the pool terrace, lounge area, and service spaces, creating a natural gathering point for residents and guests.
