Property Description

This 950 m² ocean view lot in Ojochal, Costa Rica is located in the prestigious Phase 5 community, one of the most desirable residential areas in the Southern Pacific region. The property offers spectacular Pacific Ocean views, peaceful surroundings, and an excellent location, making it an ideal opportunity to build a luxury home or vacation retreat. The lot features favorable topography with a generous and usable building area, allowing you to design a home that fully captures the incredible ocean and sunset views that make Ojochal such a sought-after destination. Phase 5 is known for its privacy, upscale homes, and tranquil atmosphere, attracting buyers from around the world who are looking for a safe and beautiful place to live or invest. The community offers the perfect balance between nature, security, and convenient access to amenities. The property is located just 10 minutes from Playa Ventanas, one of the most picturesque beaches in the region, and approximately 20 minutes from Uvita and Bahía Ballena, where you will find supermarkets, restaurants, banks, medical services, and the famous Marino Ballena National Park.
