Property Description

Solaris 104 is a rare garden-level residence that combines architectural sophistication, privacy, and a deep connection to nature—an exceptional offering within Santa Ana real estate. Located in one of the Central Valley's most desirable residential enclaves, this four-bedroom, four-and-a-half-bathroom home spans an impressive 461 m² and offers direct access to landscaped gardens, creating the feel of a private villa rather than a traditional condominium. From the moment you enter, the residence is defined by light, scale, and intentional design. Floor-to-ceiling glass walls frame lush greenery, while art-lined corridors and thoughtfully placed social spaces create a sense of calm and continuity throughout the home. Refined Interiors with Contemporary Elegance The main living and dining areas flow seamlessly, anchored by natural materials, custom woodwork, and abundant daylight.
