Property Type: Land • Lot Size: 996 Square metres •

- Status: Available

Property Description

A 996 m² completely flat lot, ideal for building a countryside retreat surrounded by nature and privacy — yet close enough to San José for an easy weekend escape. Imagine waking up to the sound of trees, picking a fresh lemon from your garden for your morning coffee, and feeling the stress of the city fade away... without having to drive for hours. ? Fully flat terrain – ideal for building without extra construction costs ? Water service installed ? Electricity available ? Residential, single-family use ? Established fruit trees: mango, lemon, mango, and caimito This is not just a lot. It's a space to reconnect. Perfect for: A contemporary country home A modern cabin A project with a spacious terrace and natural garden A peaceful weekend retreat For an accessible investment, you can own your own natural corner without being far from the city. Invest in quality of life.
