Property Description

Welcome to Diria 512, a newly renovated 2 bedroom, 2 bathroom condo offering 1,249 square feet of stylish coastal living in the heart of Tamarindo. This upscale residence has been redesigned in spectacular fashion, blending a relaxed beach vibe with refined modern finishes. A soothing palette of blues, grays, and crisp whites is complemented by warm accents of blond teak wood, creating a space that feels both elegant and inviting. The chef's kitchen is a true showpiece, featuring stunning quartz countertops with a dramatic waterfall edge, sleek two tone cabinetry, and Frigidaire Professional appliances including a premium refrigerator and stove. Designed for both functionality and entertaining, the kitchen flows effortlessly into the open concept living area, where natural light pours in through expansive sliding glass doors. The indoor living space connects seamlessly to one of the most impressive features of this home: an oversized covered patio that is truly one of a kind.
