Property Description

Welcome to Jaguar, the lower apartment of a private duplex tucked into lush jungle in the heart of Uvita. Surrounded by nature and blessed with the constant, soothing sound — and view — of a waterfall, this hidden oasis offers one of the most authentic Costa Rican experiences you can find. Set beneath the shade of towering tree canopies, the apartment stays naturally cool and immersed in greenery, creating a peaceful jungle retreat just minutes from the center of the town. Modern indoor-outdoor design meets raw tropical beauty — and the result is unforgettable. Waterfall Views & True Jungle Living From the terrace and living areas, enjoy beautiful views of the waterfall while relaxing under the protective shade of the surrounding trees. The natural canopy creates a serene atmosphere, while the sound of flowing water becomes your constant soundtrack. Wildlife sightings are part of daily life here: - Toucans -Monkeys - Coatis -Agoutis - Iguanas ? Kinkajous & opossums (in the night) - Great egrets - Occasional visits of skunks & tayras ? A baby sloth has been permanent residents in the trees.
