Property Description

Located in the peaceful hills of San Isidro de Atenas, this exclusive gated community home offers privacy, security, and panoramic views of the Central Valley and surrounding mountains. Situated within a small and well-maintained community with electric gate access and fully paved roads, the property combines natural beauty with convenient accessibility in one of Costa Rica's most desirable climates. This two-level residence has been thoughtfully designed to maximize views, functionality, and flexibility. The main home is distributed entirely on the first level, while the second floor features a fully independent apartment, making it ideal for multi-generational living, hosting guests, or generating rental income. The main residence stands out for its high wood ceilings, abundant natural light, and seamless indoor-outdoor integration. The open-concept living and dining area flows directly toward the terrace and private swimming pool, creating an inviting atmosphere for both everyday living and entertaining.
