Property Description

True beachfront living at its best. Almendros 43 sits directly on the sands of Playa Ocotal, where mornings begin with the sound of gentle waves, ocean breezes move through your terrace, and the beach becomes part of your daily rhythm. You can step outside, feel the warm sand under your feet, swim in calm blue flag waters, and end the day with sunsets that feel different every time. You are in Costa Rica, in beautiful Guanacaste, right at the beach in Playa Ocotal where the water is calm, clear, and inviting. It is a wonderful place to enjoy quiet walks, time by the shore, or ocean activities such as snorkeling, paddleboarding, or kayaking. The setting feels relaxed and naturally beautiful, yet you are close to everything you need in nearby Playas del Coco, including restaurants, supermarkets, medical care, and shopping. The layout of this property brings comfort, privacy, and flexibility.
