Property Description

Located on a private hillside enclave of a few residential lots, this property offers a rare balance of privacy, nature, and proximity to one of Costa Rica's most vibrant beach towns. Set in the Los Jobos area—considered part of greater Tamarindo—this property is only a 4-minute drive from Tamarindo's beaches, restaurants, shopping, and services, while still feeling tucked away and serene. In a residential neighborhood, positioned along a quiet public road and just 800 meters from the paved back road to Tamarindo. The project was designed with long-term livability in mind, prioritizing space, airflow, greenery, and view corridors rather than density. Lot 5 is the largest homesite within the El Sueño project, spanning 3,009.49 m² (approximately 0.74 acres) and positioned at the highest point of the property. This elevated setting offers unobstructed ocean and mountain views, along with exceptional airflow and natural light throughout the day.
