Property Description

Step into the heart of Ojochal, a perfect international village in the Southern Pacific zone of Costa Rica, with this exceptional residential building lot that perfectly balances accessibility and the coveted Pura Vida lifestyle. Imagine building your custom tropical retreat on a generous 2,419 m2 (0.6 Acre) parcel, conveniently located. Forget the rugged 4x4 trails; this property boasts easy, all-weather access directly from a paved road, ensuring your daily commute to the beach or evening out is always smooth and stress-free. Ready to Build: Utilities and Infrastructure Ready This lot is primed for immediate development, taking the complexity out of your construction plans. You will benefit from the essential infrastructure already in place, including a legal water source supplied by the local ASADA available at the property, ensuring reliable and readily available water access. Electricity and high-speed internet connections are readily available at the road.
