## Property Description

**\*\*Altos de Socorro Hilltop Farm\*\***: Nestled in the cool mountains of Hojancha, this 27-acre property offers a unique opportunity for individuals seeking to create a serene lifestyle harmonized with nature. Its gentle hillside contours present breathtaking views of the Pacific Ocean, Gulf of Nicoya, distant volcanos, and the verdant slopes of the surrounding area. The land features a productive orange grove along with various fruit trees, and there is ample space to accommodate horses and smaller livestock if desired. Additionally, there are approximately 8-10 potential building sites suitable for a small permaculture community. The cooler climate here is perfect for fostering an organic garden, which can be quite challenging in the hot coastal lowlands. The property boasts a newly constructed, well-designed 4-bedroom home with elegant teak ceilings and a spacious veranda offering stunning ocean vistas.
