## Property Description

Elevated Ocean Living with Open Views and Sea Breezes This home for sale in Ballena sits on 3 acres of land with big ocean views stretching toward Caño Island and the Ballena Islands. The property offers a main two-story house, a separate guest house, a swimming pool, and full asphalt road access all the way to the home. Designed for comfortable living and flexibility, the layout supports full-time residence, hosting guests, or multi-unit use in a private coastal setting. Ocean breezes, open skies, and elevated views define daily life at Ballena Breeze Houses. The main house includes three bedrooms and three bathrooms distributed across two levels. A workshop on the lower level provides space for creative projects, storage, or practical use. The guest house is fully independent. Its upper level is designed for living, while the lower level functions as a covered parking area for two vehicles.
