Property Description

This lot is called above the rest because it is just that. The lot sits in a prime location in a neighborhood surrounded by high end homes. The property boasts views of the Central Valley, and you can see the ocean on a clear day. The lot is ready to be built on and has a very nice area to place your future home or homes. The location is ideal for quick access to the 27, Ciudad Colon, and Santa Ana. This is one of the best lots on the market in the area.
