Property Description

53 acres of some of the most unique terrain with frontage on the Talamanca highest coastal ridges offering magnificent 360 degree views out to the sea, and back to the central valley. Farm has an extensive internal road system leading to at least 16 buildable sites, many with ocean views, and the farm comes with the following: 3 streams, it's own independent water system, enough volume, and vert drop to do a hydro-system, 2 horses and tackle, stables and out buildings for animals of choice, an extensive variety of fruit trees, and plenty of food supply, a large building that is adjacent to your own soccer field, a tilapia pond fully stocked with fish. Most importantly a well built 2 bedroom 2 bath home with lots of covered deck and a 40 foot pool, and views looking down an extensive verdant valley and mountain range with the river running through it! Whether you looking to develop, or have your own personal paradise, or maybe an eco-village of like minded individuals, this one offers it all!
