Property Description

Located in a peaceful and natural setting, surrounded by a forest of pochote trees, this beautiful 3-bedroom, 2.5-bathroom home, built in 2004, sits on a spacious 2,174 m² lot (approximately 0.54 acres), offering privacy, abundant wildlife, and an environment filled with birds and lush vegetation. The home is designed on a single level and features approximately 217 m² of total construction (about 2,331 square feet). The property has been carefully updated, featuring a recently renovated kitchen and new flooring, combining comfort and functionality. Designed for everyday living and enjoyment, the home offers a private swimming pool, independent laundry room and storage area, as well as parking space for up to six vehicles, including two covered spaces. The living room flows seamlessly into a covered terrace through large sliding glass doors with mosquito screens, creating an ideal connection between indoor and outdoor spaces—perfect for relaxing, entertaining, or enjoying the natural surroundings year-round.
