Property Description

Perched at approximately 800 feet elevation within the prestigious gated community of Sueños del Tropico in Chontales, this stunning 3-bedroom, 2-bathroom luxury home delivers breathtaking panoramic views of the sparkling Pacific Ocean and lush jungle-covered mountains from nearly every angle of the property. Built in 2018 with solid concrete block and stucco construction, the 306 m2 (approx. 3,295 sf) single-story home sits on a beautifully landscaped half-acre lot of 2,416 m2 filled with ornamental plants, vibrant lawn areas, and mature tropical fruit trees including bananas, mangoes, papayas, oranges and limes – with plenty of room to expand the orchard and enjoy fresh tropical fruit right from your own garden every single day of the year. Step inside and be captivated by the soaring local-wood ceilings and warm solid wood furnishings that bring authentic Costa Rican character and charm to every room.
