Property Description

Welcome to this spectacular opportunity to acquire a beautiful two-story home, strategically located near the center of Grecia, available for a price of USD \$299,000. This property is built on a 340 m² lot (1,115 square feet), offering ample space to enjoy and make your dream home a reality. It features an approximate construction area of 400 m² (4,305 square feet), reflecting spaciousness, comfort, and an excellent layout throughout. The ground floor welcomes you with an open-concept living room, kitchen, and dining area, where harmony flows through a perfect combination of materials and colors. The kitchen is included in the sale price and stands out with granite countertops, solid wood cabinetry, a built-in gas stove and oven, as well as high-quality fixtures that add elegance and functionality. This level offers two comfortable bedrooms with flexible use options: one featuring a spacious walk-in closet for organized storage, and the other with a closet and air conditioning.
