Property Type: Land • Lot Size: 73753 Square metres •

- Status: Available

Property Description

Discover an extraordinary opportunity to own titled ocean-view land in the heart of Drake Bay, one of Costa Rica's most untouched and visually stunning coastlines. This property offers sweeping views over the world-famous Drake Bay on one side and dramatic mountain scenery on the other—a rare combination that immediately sets it apart. Whether your vision is a private family retreat, a luxury vacation home, or a boutique rental project, this lot delivers the setting and natural backdrop to make it exceptional. For those exploring Dominical luxury homes for sale, this region offers an unparalleled blend of nature, privacy, and long-term value. The property features a spacious, flat building area that has already been partially landscaped and is surrounded by lush jungle alive with wildlife. A rustic dwelling currently sits on-site, providing immediate shelter or a convenient base during construction.
