Property Description

An elegant and solid home built in 2010 is for sale, located at one of the highest points of a private residential community in Atenas, offering unique panoramic views of the Central Valley and an exceptional climate. The property sits on a 7,009 m² lot (approximately 1.73 acres) and features 360 m² of construction (approximately 3,875 square feet), designed for those seeking comfort, privacy, and a naturally exceptional environment. The home offers 3 bedrooms, 2.5 bathrooms, living room, dining room, TV room, kitchen with fine wood cabinetry and granite countertops, laundry room, two spacious terraces with impressive views, swimming pool, green areas, and covered parking for two vehicles. The solid concrete construction and high crafted ceilings provide ample space, natural light, and excellent ventilation, creating a warm and welcoming atmosphere. The primary suite stands out for its generous size, walk-in closet, private bathroom with glass division, and hydromassage bathtub.
