Property Description

Just steps from the beach in the highly sought-after enclave of Playa Langosta, this fully furnished 2-bedroom, 2-bath condo offers an effortless blend of lifestyle and investment potential. Set within the boutique community of La Esquina, the residence features warm wood finishes, an open-concept layout, and a spacious private terrace surrounded by lush tropical gardens—perfect for indoor-outdoor living and relaxed coastal mornings. Designed for ease and flexibility, this is a true lock-and-leave property ideal for part-time living or immediate rental use. The low-density complex offers a peaceful atmosphere, highlighted by a signature resort-style lap pool, mature landscaping, and secure gated access. Located just across the street from the beach and minutes to Tamarindo's dining, shops, and surf, the property delivers the rare combination of walkability, privacy, and income potential.
