Property Description

A 1,107 square meter lot in Bijagual de Turrubares, facing National Route 320, is an excellent opportunity to acquire a property in a strategic location. This land has direct access to the main road, facilitating connectivity and transportation. In addition, it is equipped with all the necessary basic services, including electricity, drinking water, and access to telecommunications, making it ideal for various projects, whether a residence, a commercial development, or even a future investment. The natural environment of Bijagual de Turrubares is a prominent feature, offering a quiet environment surrounded by nature, perfect for those seeking a balance between rural life and proximity to urban areas. The property is located in a developing area, which can increase its value over time. This lot has a relatively flat terrain, facilitating construction. Its extension allows flexibility in the design of the project you want to carry out, from a country house to a small farm or local business.
