Property Description

This beautiful property combines nature, comfort, and a strategic location, ideal for residential use, tourism projects, livestock, or a vacation retreat. Located in Santiago de Puriscal, it offers a land area of 6.6 hectares (approx. 66,000 m² / 16.3 acres) and a price of C=400,000,000, negotiable. The farm includes a house measuring 170 m² (approx. 1,830 square feet), built in 2005, featuring four bedrooms, two bathrooms, living room, kitchen, dining room, laundry room, and storage. It has water from ASADA as well as its own drilled well, ensuring continuous supply. The land features a creek that runs through the property and an impressive private waterfall, adding exceptional natural appeal. The property offers pastures ideal for livestock and a wide variety of fruit trees. Panoramic views and the natural setting provide privacy and tranquility. It is located less than an hour from San José, approximately 40 minutes from the airport, and only four minutes from essential services such as a hospital, pharmacies, supermarkets, gas station, schools, and high schools.
