- Status: Available

Property Description

Your private sanctuary in the heart of nature. Immerse yourself in 29 acres of lush beauty, where the Pacific Ocean and the jungle merge in a symphony of colors. From the heights of San Rafael de Cerros, take in panoramic views of paradisiacal beaches and the renowned Manuel Antonio National Park. This farm, which has 4 building sites, is a blank canvas to give free rein to your imagination. Build your luxury retreat, an eco-resort, or simply enjoy the tranquility of nature. With abundant water, available utilities, and a forest full of life, this property is a priceless investment. Unique investment opportunity in a tropical paradise. Discover a world of possibilities. Its privileged location, just 15 minutes from Quepos, makes it an ideal destination for sustainable tourism. Imagine an exclusive condominium, a boutique hotel surrounded by nature, or a series of eco-friendly cabins.
