Property Description

Spacious and Versatile Lot in Peñas Blancas de San Ramón! Ideal Square Lot of 3,316 m² (0.82 Acres) Discover the perfect harmony between nature and convenience in this exceptional lot in Peñas Blancas de San Ramón, an area renowned for its lush beauty and close proximity to tourist attractions and nature reserves. This generously sized property is more than just a piece of land; it is the ideal place to build a true oasis of relaxation or develop a high-value project. The Perfect Geometry for Investment and Construction One of the most valuable features of this property is its shape, which maximizes design and use potential: Ideal Square Lot: With near-perfect measurements of 57 meters (187 ft) of frontage by 63 meters (207 ft) of depth, this 3,316 square meter lot eliminates the design limitations posed by narrow or irregular plots. The square shape is considered the best for land, offering maximum flexibility to: Design a main residence without sacrificing expansive green areas.
