Property Description

Set in the heart of North Santa Teresa, this 209 m² property combines convenience and privacy in one of the area's most desirable streets, complete with adoquines and nighttime security. Designed for relaxed beachside living, the 120 m² residence features two well proportioned bedrooms and a flexible mezzanine, perfectly suited for an additional sleeping area or a quiet home office. Inside, the open plan living and dining areas create a bright, airy atmosphere, while the bathroom with bathtub adds a touch of comfort not often found in coastal homes. Outdoors, the property extends into a private retreat with a refreshing dipping pool, shaded dining space, and lounge area set against a backdrop of tropical greenery; an inviting space for both entertaining and unwinding after a day in the ocean. The home offers practical infrastructure with town water and electricity in place. Its current design is immediately livable, yet it also presents excellent potential for upgrades, making it an appealing option for buyers seeking a personal retreat, a vacation rental, or an investment property.
