Property Description

Casa Volare is a brand-new, custom-designed residence located just 900 meters from the black volcanic sands of Playa Negra, in Puerto Viejo, Limón. Set on an 820 m² lot, this architecturally distinctive home blends clean modern lines with the relaxed charm of the Caribbean coast, offering a design-forward ambiance rooted in comfort and Caribbean character. With just over 2,000 ft² of total construction, the two-bedroom, two-bathroom home features a carefully crafted open layout, high ceilings, and generous natural light throughout. The heart of the home is its integrated social area, where the kitchen, dining, and living spaces flow together with intention. The kitchen is perfect for hosting, with a large central island, wood-textured cabinetry, black stone countertops, and striking custom lighting. Walls of glass and sliding doors invite the outdoors in, leading to a covered terrace that looks out over the pool, sun deck, and surroundings.
