Property Description

Perched on the mountain only 20 minutes west of San Ramon, is this amazing property. This two story home features a very nice living area on the first floor and three studio apartments on the 2nd floor. The location is key. It is perched above the Butterfly Dance community in Cambronero San Ramon, with an international population-you have some great neighbors here. Upon entering the property you will immediately notice that you are in the jungle, complete with monkeys, toucans, and other tropical birds and mammals. The spacious lookout point is perched in the front yard and it is the perfect place to see the ocean and the jungle below. There is a pool area and an outdoor patio for you and your guests' enjoyment. The heart shaped jacuzzi, and fountain complete the resort feel that this property emanates. Inside the house is a huge open design great room, surrounded by windows, there are views everywhere.
