📍 San Jose

Property Type: Single Family Homes • Bedrooms: 5 • Lot Size: 6012 Square metres •

- Status: Available

Property Description

Luxury Biodiversity Estate * Price reduced from \$990,000 Tucked into the serene hills of San Pedro de Turubares, this exceptional estate offers a lifestyle defined by privacy, comfort, and close connection to Costa Rica's lush natural beauty. Situated within a private residential community, the property spans 6,000 square meters and provides expansive views over vibrant green landscapes, creating a tranquil setting that feels both secluded and well-connected. Built with intention and quality, the main residence features 650 square meters of thoughtfully designed living space. Its layout includes four spacious bedrooms, three and a half bathrooms, and a dedicated study, ideal for remote work or creative pursuits. The master suite stands out with a private terrace that captures partial views of the Pacific, allowing you to wake to the sound of nature and end your day with vivid skies at sunset.
