Property Description

Grecia is no longer Costa Rica's "best-kept secret"—it's quickly becoming a favorite landing spot for expats from around the globe. And guess where many of them stay when they first arrive? Right here, at this Bed & Breakfast in Grecia, proudly holding the title of Grecia's most popular guesthouse for the past 25 years running. Why so popular? It's not just another property with a few rooms. It has been called "a healing space," "a launchpad for new adventures," and "a home away from home where the hummingbirds check you in." Here's what's included in this ready-to-run, hummingbird-approved business: Accommodations (6 total): 2 spacious apartments (perfect for families or long stays) 2 cozy cottages (guests love the privacy and charm) 2 charming rooms (ideal for couples or solo travelers) Each comes fully outfitted with all the essentials: ceiling fans, hot water, mini-fridges, comfy beds, and tasteful furnishings.
