Property Description

Nestled on a prime piece of land, this exceptional property offers the best of both worlds: flat, usable land and stunning views. With public road frontage, the lot's zoning allows for either residential or commercial development, providing endless possibilities. The property is easily accessible and comes equipped with power and fiber optic internet, making it a perfect spot for building your dream home or business. While the front of the property is mainly flat and highly functional, it gently slopes down in the back to a creek, creating a tranquil, natural border. Enjoy the perfect combination of jungle and ocean views from this vantage point, and feel the constant refreshing breezes. Located just a 12-minute drive to the beach, you'll have easy access to world-class surfing at some of the best point breaks in the area. This is a rare opportunity to own a versatile and beautiful piece of Costa Rican paradise.
