Property Description

Discover this spacious property of 17,697.13 m², located in the community of Cubujuquí, just 7 km from Route 32, the main road that connects to San José. The estate offers a perfect balance between nature and open areas: 7,500 m² with timber trees and native species. 10,197 m² cleared with grass, ideal for different uses. On the property, there is a basic construction house that can serve as a foundation for new residential, recreational, touristic, or agricultural projects. It features mixed land use. With its frontage on a public road with easy access and proximity to the town center, the property is very well connected, with supermarkets, a school, and a health center just minutes away. Beyond its investment potential, this property is perfect for those who wish to escape the bustle of the city, connect with nature, and enjoy a warm and humid tropical climate that invites relaxation and tranquility.
