Property Description

Beautiful lot of 1,158 m² (approximately 12,464 ft²) located in a privileged area with breathtaking panoramic views overlooking the city of Grecia and much of the Central Valley. With over 300 degrees of visibility, you can enjoy mountain landscapes, gorgeous sunrises, and spectacular sunsets. The property has access to public utilities and is zoned for both single-family and multi-family use, offering versatility for high-quality residential projects. Access is provided through a short paved easement that connects directly to the main road, ensuring easy entry and exit. This lot is only 100 meters from the center of San Luis de Grecia, in an elevated area that maximizes the views and the experience of living surrounded by both nature and comfort. Just 10 minutes from downtown Grecia—where you will find supermarkets, clinics, pharmacies, and a hospital—this location combines tranquility with convenience.
