Property Description

This remarkable 27-hectare (66.7-acre) property offers an unparalleled opportunity to create a private sanctuary or a unique commercial venture in the heart of Costa Rica's breathtaking Southern Zone. With sweeping views of a dramatic mountain range and glimpses of the Pacific Ocean, this land is a rare blend of natural beauty and development potential. A year-round creek gracefully borders the property, enhancing the sense of peace and providing a vital water source for sustainable living. Approximately 11 hectares of pristine mountain forest are home to abundant wildlife and rich biodiversity, while 16 hectares of clear, usable land with natural building sites provide excellent areas for construction or cultivation. Thanks to its public road frontage, the property is well-suited for both residential and commercial use. Whether you dream of a secluded private residence, an eco-lodge, a retreat center, or a permaculture project, this property offers the ideal setting to bring your vision to life.
