Property Type: Land • Lot Size: 10000 Square metres •

- Status: Available

Property Description

Nestled in the tranquil hills of the southern zone, this exceptional 2.47-acre parcel offers a unique blend of privacy, convenience, and natural beauty. With public road frontage and two large, ready-to-build plantels, this property is an ideal investment opportunity for either residential development or commercial use. Positioned at a higher elevation, the land enjoys a constant flow of fresh mountain breezes and boasts panoramic views of the expansive mountain range and ocean view, perfect for those seeking peace, serenity, and connection with nature. One of the standout features of this property, beside the stunning view is its fertile soil, offering plenty of space to grow your own food, plant fruit trees, and create a sustainable garden or mini farm. Whether you dream of a self-sufficient lifestyle or simply want to enjoy fresh produce from your own land, the possibilities here are endless.
