

Land For Sale

📍 Puntarenas

\$285,000

Reference: 1130425498

Property Type: Land • Lot Size: 13560 Square metres •

- Status: Available

Property Description

An unbeatable investment opportunity just 2 minutes from Playa Linda and 10 minutes from Dominical! This property offers main highway frontage for maximum exposure, plus a flat building area with legal water and electricity available, making it ready for your next project. A network of trails runs through stunning lush jungle, leading to a breathtaking 180° ocean view stretching from Manuel Antonio to Drake Bay, the perfect setting for a viewing deck, canopy tours, or parasailing attraction. With its prime location, easy access, and incredible natural surroundings, this property is tailor-made for a commercial building, eco-business, or tourism venture in one of Costa Rica's fastest-growing coastal regions. Don't miss this rare opportunity, the perfect blend of visibility, accessibility, and natural beauty!
