Property Description

Live in a quiet, family-friendly condominium with a strategic location: multiple exits to the country's main highways and close to the airport. This 156 m² house on a 200 m² lot, built entirely of cement and block, combines functionality and quality finishes for the comfort of the entire family. The best features of the house and condominium: 156 m² built on a 200 m² lot, good storage, and meticulous finishes. 3 bedrooms with closets; master bedroom with private bathroom; secondary bedrooms share a bathroom. Open-plan living and dining room; all windows with blackout blinds. Fiber optic service available with all carriers. Just steps from the social areas: pool with an activity area, multipurpose court, and dog park. The condominium respects the perimeters between homes for space and privacy. 24/7 security and a water well supplying the entire condominium, avoiding water shortages.
