Property Description

Discover the ultimate blend of natural beauty and development potential with this breathtaking 17.79-acre property, located just 10 minutes from the dreamy Dominical Beach. Key Features: • **Natural Wonders:** The property boasts two mesmerizing waterfalls, offering a unique and tranquil setting that few properties can match. • **Prime Location:** Situated on an open ridge with a gentle slope, the land is easily accessible and perfect for a variety of development opportunities. • **Convenient Access:** Enjoy the convenience of hundreds of meters of public road frontage, with electricity available approximately 200 meters away. • **Development-Ready:** The property features expansive, flat areas that are well-maintained and ideal for building. Additionally, there are well-developed trails along the borders, enhancing both access and exploration. • **Water Security:** A water concession is currently in progress, ensuring a reliable water source for future development.
