Property Description

Nestled in the lush mountains of Pérez Zeledón at approximately 700 meters (2,300 feet) above sea level, this exceptional 1.8-hectare (4.4-acre) property offers a rare combination of privacy, natural beauty, abundant water, and future development potential. Located just 25 minutes from downtown San Isidro de El General, the property provides the tranquility of a secluded mountain retreat while maintaining convenient access to restaurants, shopping, healthcare, schools, and essential services. At the heart of the property sits a beautifully crafted 90 m² (969 sq ft) cabin designed to blend seamlessly with its natural surroundings. Unlike many modern constructions, this cabin showcases two of Costa Rica's most prized hardwoods: premium teak and Guanacaste wood. The ceilings and flooring were built using high-quality teak, internationally recognized for its beauty, durability, and timeless appeal.
