Property Description

A Private Country Estate with Timeless Colonial Charm Just 10 minutes from Ciudad Colón and 20 minutes from Escazú and Santa Ana, this exceptional 9-hectare estate offers the serenity of country living with the convenience of the city nearby. Once an elegant equestrian estate, it now stands as a private sanctuary surrounded by lush gardens, gentle hills, and panoramic valley views — all within a soothing, year-round climate where air conditioning is never needed. Set across rolling green hills — nearly the size of 12 soccer fields — the property ensures complete privacy, abundant nature, and room to expand or build an additional residence if desired. Even without the beautiful colonial home, the land alone represents outstanding value at this price point. The Main Residence A wide wrap-around terrace invites you to enjoy open-air living — morning coffee among the trees, golden sunsets over the valley.
