Property Description

Experience the epitome of serene living with this nearly 1 acre mountain view property. Positioned at a 1000-foot elevation, this east and west-facing gem offers spectacular sunset views over the coastal mountain range, accompanied by cool breezes and an excellent climate year-round as well as sunrise views and views of the Diamante waterfall. Conveniently located just 200 meters off the paved road, this property boasts easy 2-wheel drive access. The property can be used for residential or commercial and has a main building site and several other really nice building sites. There are also many mature fruit trees including bananas, mangos, guanabanas, mamones, citrus, and many other exotic tropical varieties. With legal AYA water on-site, obtaining a building permit is hassle-free, allowing you to start your dream project immediately. This prime location is less than 10 minutes from Playa Dominical, renowned for its world-class surf, pristine beaches, and vibrant restaurants and shops.
