Property Description

This amazing ocean view home is located in the sought after community of Lagunas, just 15 min from Playa Dominical and sitting at 900 ft elevation. It is hard to find a property and home with all of these amazing qualities for this price. If you are looking to move to the area or just looking for a good investment this property checks all the boxes. The 3 bedroom home is very charming and well built. It has an excellent sunset ocean view that is framed by huge trees. The kitchen and living room have a nice flow to them and open up to the view and the pool. The principal bedroom has an en suite bathroom with an ocean view bathtub. The other 2 bedrooms are nice sized and share the second bathroom. Next to the house is a fabulous pool with a covered area for enjoying the shade and entertaining. The home also has covered parking as well as a storage area. There is a 40 ft insulated shipping container that is set up with AC and could easily be converted into a 1 bedroom unit for guests or rentals, or used for a music studio, or storage.
